

**217.136 Home-based food processors -- Exemption from permit requirement and fair packaging and labeling laws -- Production, labeling, and sales of home-processed food products -- Inspections.**

- (1) A home-based processor shall be exempt from KRS 217.035, 217.037, and 217.125 if the following conditions are met:
  - (a) All finished product containers are clean, sanitary, and properly labeled pursuant to subsection (3) of this section;
  - (b) All home-processed foods produced under this exemption are neither adulterated nor misbranded pursuant to subsection (4) of this section; and
  - (c) All glass containers for jams, jellies, preserves, fruit butter, and similar products are provided with suitable rigid metal covers.
- (2) A home-based processor shall not produce or process for sale acid foods, acidified food products, formulated acid food products, or low-acid canned foods.
- (3) A home-based processor shall label each of its food products and include the following information on the label of each of its food products:
  - (a) The name and address of the home-based processing operation;
  - (b) The common or usual name of the food product;
  - (c) The ingredients of the food product, in descending order of predominance by weight;
  - (d) The net weight and volume of the food product by standard measure, or numerical count;
  - (e) The following statement in ten (10) point type: "This product is home-produced and processed"; and
  - (f) The date the product was processed.
- (4) Food products identified in KRS 217.015(56) and not labeled in accordance with subsection (3) of this section are deemed misbranded.
- (5) Food products identified in KRS 217.015(56) and produced, processed, and labeled in accordance with subsection (3) of this section are acceptable food products that may only be offered for sale by farmers markets, certified roadside stands, or on the processor's farm. These food products may be used in preparing and serving food.
- (6) Food products identified in KRS 217.015(56) and labeled in accordance with subsection (3) of this section shall not be required to be tested in determining whether or not the food product is an acid food, acidified food product, formulated acid food product, or low-acid food.
- (7) The processing facilities of a home-based processor may be inspected annually by the cabinet.
- (8) A home-based processor shall be subject to food sampling and inspection if it is determined that its food product is misbranded pursuant to subsection (4) of this section or adulterated, or if a consumer complaint has been received.
- (9) If the cabinet has reason to believe that an imminent health hazard exists it may invoke cessation of production until it deems that the hazardous situation has been

addressed to the satisfaction of the cabinet.
